The information is current as at 30 November 2024. It is not an indicator of future expected returns within the tax-paid environment of Futurity's Education Bonds. Past performance is not a reliable indicator of future performance. Performance is quoted using the sell (exit) price and is net of all portfolio taxes, management fees, and fund expenses, however, does not take into account any stamp duty, transaction costs and management fee rebates. n/a As these Investment Options have only recently been established, no return data is available. Product issuer is Futurity Investment Group Ltd (ACN 087648879, AFSL 236665) (Futurity). Futurity is licensed to provide general advice only. Retail clients should obtain a copy of the Futurity PDS available at futurityinvest.com and should seek advice from their financial advisers before making an investment decision.
